Property Description

Located on the eastern outskirts of this bustling North Cotswolds market town and offering excellent young family accommodation, this semi-detached two storey three bedroom property has been upgraded over recent years and is well worthy of internal inspection.

Recent improvements include a stunning fitted kitchen of contemporary design and colour with a good complement of integrated appliances. There is a homely wood burning stove in the through living room which has double doors opening on to the 130ft rear garden.

Other attractions include an ensuite shower room to the master bedroom in addition to a family bathroom on the ground floor, upvc double glazed windows and doors and there is a timber outbuilding in the rear garden suitable for a variety of uses the most recent of which was a home office. The property has off street parking and the former garage has been converted into a store and utility room.

Moreton in Marsh has one of the most famous tree lined High Streets in the North Cotswolds with its own railway station with links to Oxford and London Paddington. There is a variety of supermarkets, a primary school and the town is in the catchment area for Chipping Campden Secondary School.
