Guide Price £349,950, Freehold

Property Description

Probably one of the most deceptive houses of its type in the area, having a full height, two storey extension to the rear, this spacious, three bedroom family house also benefits from a full width loft conversion on the second floor, suitable as either hobby rooms or an occasional fourth bedroom.

The property has undergone a programme of modernisation over the years including sealed unit double glazing to most windows, gas fired central heating, ground floor cloakroom in addition to a spacious family bathroom with a four piece suite, and a particularly attractive, seventeen ft. master bedroom with built in wardrobes.

Other features include built in vanity units to the two double bedrooms, attractive modern fitted diner/kitchen with a built in oven and hob, a well screened southerly facing rear garden incorporating a car port with off street parking for one vehicle with access via Evenlode Gardens.

The property is located on the outskirts of Moreton in Marsh approximately half a mile from the centre of this popular north Cotswold market town, convenient for access to St Davids primary school and the local railway station with links to London Paddington. The property is also in the catchment area for Chipping Campden school. From our Moreton in Marsh office turn left and at the first mini roundabout turn left onto the A44 towards Oxford, continue across the railway bridge and after approximately a quarter of a mile turn right in front of 'The Wellington' public house into Evenlode Road. Continue for two hundred yards, turning left into Wellington Road and this property can be found around fifty yards along on the right.
