Property Description

Occupying a corner location and heralding the entrance to this stylish modern development built by Cala Homes in 2018, this deceptively spacious, detached four bedroomed executive family residence should be viewed internally to be fully appreciated and early viewing is advised.

One of the most stunning features of the property is the 20 ft breakfast kitchen with a central island unit and formed in open-plan with the more formal dining area to the front creating a superb living space. There are double French doors to the rear matching the ones from the main living room creating a walk round effect giving two access points to the enclosed walled garden and patio.

For those intending to work from home, there is a spacious study to the front. The property has Karndean flooring to the majority of the ground floor and the house is warmed with gas fired central heating and a pressurised water system and all UPVC double glazed windows and doors.

Externally there are open-plan lawned gardens to the front and a walled, enclosed patio and garden to the rear, beyond which there is a private driveway shared by only one other property leading to a parking bay for Number 1 for at least four vehicles beyond which there is a double garage.

Norgren Crescent is located on the southern most boundary of this popular North Cotswold market town with its own traditional market square and an excellent range of shops, restaurants and hostelrys and 6 miles North of Moreton-in-Marsh with the railway station with links to Oxford and London Paddington.
