8 Nursery Close, MORETON-IN-MARSH, Gloucestershire, GL56 9NH

Offers Over £700,000, Freehold

Property Description

Positioned in a select residential cul-de-sac of only twelve houses and offering particularly stylish and thoughtfully planned living accommodation, this detached two storey four bedroom contemporary executive family residence was built in 2008 to a high standard and is strongly recommended for internal inspection.

Carefully preserved by the present owner, the property features a large rear conservatory extension creating a walkaround effect to both the spacious diner kitchen and the atmospheric living room. There is predominantly either Karndean or tiled flooring on the ground floor, Cotswold stone fireplace with gas fired stove in the living room, a stylish modern fitted kitchen with a good complement of integrated appliances, all engineered oak internal doors, a separate utility room, study and separate dining room (which could of course double as a ground floor bedroom if required). There is an ensuite shower room to the master bedroom, a four piece family bathroom suite and double built in wardrobes to three bedrooms. There is gas fired central heating, pressurised water system, sealed unit double glazing and the property enjoys a particularly attractive outlook to the rear over treescape and gardens.

Externally the property has off-street parking in tandem for two vehicles in addition to a single garage. There are gardens to both rear and side which have been professionally landscaped. A separate single driveway has been created to the left-hand side of the property.

Nursery Close is located just off Todenham Road allowing easy access to both the High Street and the town's railway station with links to Oxford and London Paddington. Moreton in Marsh is not only famous for its historic High Street, but there is a market every Tuesday and the town has its own community hospital and a wide range of shops, restaurants and hotels.

Energy Efficiency Rating		
	Current	Potential
Very energy efficient - lower running costs		
(92+) A		
(81-91) B		86
(69-80) C	78	
(55-68) D		
(39-54) E		
(21-38) F		
(1-20) G		
Not energy efficient - higher running costs		
England, Scotland & Wales	EU Directive 2002/91/EC	

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.
