Offers Over £400,000, Freehold

Property Description

Positioned towards the end of a quiet residential cul-de-sac close to the centre of this popular North Cotswold market town and having the benefit of a westerly-facing rear garden with partial open outlook towards countryside and treescape, this detached two-storey, three double bedroom townhouse now offers every opportunity for people to develop a home to their own requirements.

Features of the property include gas fired central heating from a combination boiler. UPVC double glazed windows and doors and a double glazed conservatory extension to the rear with excellent views over the garden and taking full advantage of the afternoon sun.
