# 8 Harvard Close, Moreton-in-Marsh, Gloucestershire, GL56 0JT

Guide Price £450,000, Freehold

## Property Description

Positioned in small residential cul-de-sac surrounded by other contemporary style homes, this semi-detached three storey, four bed roomed town house was built at the turn of the century and now provides adaptable accommodation for flexible living.

The property has the advantage of a 40 ft enclosed south facing rear garden for optimum sunshine and two separate patio areas for al fresco dining. Internally the property has a separate utility room, an attractive modern kitchen with a range of integrated appliances and a spacious living room with a marble fireplace.

There are two bedrooms and two bathrooms on the first floor, one being the en-suite to the master bedroom and two double bedrooms and a further bathroom on the second floor. The property has off-street parking for one vehicle and the advantage of its own garage.

Harvard Close is positioned just off the A44, one of the main approaches to Moreton in Marsh and approximately 1/4 of mile from the town centre and access to rail links to Oxford and London.

## Accommodation Comprises

### Entrance Hall

With ceramic tile floor, easy oak staircase returning to first floor with batoned balustrade, electric smoke alarm, single radiator.

## Directions

From our Moreton in Marsh office turn left and at the first mini roundabout turn left along the A44 towards Chipping Norton continuing over the railway bridge then taking the fourth turning on the right hand side into Harvard Close. This property is then positioned in the bottom left hand corner of the cul-de-sac.

Energy Efficiency Rating		
	Current	Potential
Very energy efficient - lower running costs		
(92+) <b>A</b>		
(81-91) <b>B</b>		
(69-80) <b>C</b>	70	80
(55-68) <b>D</b>		
(39-54) <b>E</b>		
(21-38) <b>F</b>		
(1-20) <b>G</b>		
Not energy efficient - higher running costs		
<b>England, Scotland &amp; Wales</b>	EU Directive 2002/91/EC	

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.
