Property Description

Positioned in a residential cul-de-sac away from mainstream traffic and offering excellent young family accommodation, this stylishly modernised semi-detached, two-storey, three bedroom young family home has been thoughtfully upgraded over recent years and is strongly recommended for internal inspection.

The property itself has a cosy through sitting room with a homely woodburning stove and a particularly attractive kitchen with a good compliment of modern units, parquet oak worktops, ceramic tiled floor and double patio doors leading on to the rear garden. The property is further warmed from gas fired central heating from a combination boiler and Upvc double glazed windows and doors. At first floor level, the main bedroom has built-in wardrobes and a recently renewed bathroom/w.c. with a highly desirable rain shower head.

However, one of the highlights of the property for a young family is the 170 foot mainly lawned rear garden with a large timber cabin and off-street parking for approximately three vehicles, all incorporated within a plot size of 0.13 acres.

Wellington Road is positioned to the South East of this popular North Cotswold market town famous for its tree-lined High Street with a wealth of shops and hosteries, two good quality supermarkets, community hospital and the all important railway station with links to Oxford and London Paddington. The town has its own primary school and is within the catchment of Chipping Campden secondary school.
