Property Description

Positioned in this exclusive gated development, this stylish retirement complex appealing to those exclusively over 60 years of age. Apartment Number 7 is a stunning purpose built one bedroom property located on the first floor and has been designed for later living with several fully services lifts to each floor. The apartment itself has electric under floor heating with thermostatic control to each of the rooms and there is a mechanical ventilation heat recovery system designed to constantly bring fresh air in to the apartment and removing stale air, it also retains heat and recirculates it into the property. The benefit of this first floor apartment is the open-aspect balcony that stretches across from the living room and bedroom which can be accessed by French doors, perfect for sitting out on a lovely summers evening.

Apartment features in detail include double glazing to all windows, balcony, walk-in wardrobe, kitchen fitted with integrated fridge freezer, luxury mid height oven, integrated microwave, stainless steel hood and splash back. Oak veneered doors, chrome furniture and fittings, neutral decor and newly refitted carpets.

Safety and security; entry door system which is linked to your own t.v. 24 hour emergency call system, intruder alarm and smoke detector.

There is a residents lounge with a large welcoming area, several attractive seating areas and a kitchenette for functions and coffee mornings.
